Intro
Saint Joan of Arc,
Pray for us.

Verse 1
Saint Joan, faithful virgin,
You who heard the voice of Heaven,
Obtain for us perseverance
When our faith becomes a battle.

When mockery wounds us,
When the truth is cast aside,
Keep our hearts alive with hope,
And our eyes raised up to God.

Pre-Chorus
If we are not in a state of grace,
May God bring us there.
And if we are already in grace,
May God keep us there.

Chorus
God first served,
When the world abandons Him.
God first served,
When the truth is under fire.

God first served,
Till the final breath of our lives.
Saint Joan, pray for us,
Obtain for us true faithfulness,

So that we may keep the faith
Until our final day

Verse 2
Obtain the conversion of hearts,
Bring home the lost and wandering children,
Give fervor to priests and to fathers,
And bring holiness into our homes.

Make the faith of France bloom once more,
In the midst of tears and ruins,
May Christ once more reclaim His place
In the depths of every heart.

Chorus
God first served,
When the world abandons Him.
God first served,
When the truth is under fire.

God first served,
Till the final breath of our lives.
Saint Joan, pray for us,
Obtain for us true faithfulness,

So that we may keep the faith

Bridge
Through every persecution,
Through every trial,
Through every battle for the faith,
Obtain for us perseverance.

May we never deny Christ.
May we never leave His Church.
May we never lose our hope.
May God be served above all.

God first served.
God first served.
God first served.

Verse 3
Pray for France, who is still hoping,
Despite the ruins and the night;
And when the promised hour arrives,
May all that God has spoken be fulfilled.

Pray for France, who waits in trust,
Through the struggle and the fight;
May the shattered altars rise again,
And once again may bloom the lilies of France.

Chorus
God first served,
When the world abandons Him.
God first served,
When the truth is under fire.

God first served,
Till the final breath of our lives.
Saint Joan, pray for us,
Beneath the banner of Christ the King,

Keep us faithful through each trial
Till the triumph of His law.

Bridge
God first served.
God first served.
God first served.
Saint Joan of Arc,

Pray for us.

Outro
May God be served above all.
