
Under Your Precious Blood

Intro

In the Name of Jesus Christ
I stand in Your presence, Lord
Not by my merits
But by Your mercy

I cover myself now
With Your Precious Blood

Verse 1

Over my soul
Over my spirit
Over my body
Over all that belongs to me

May Your Blood rest upon me
May it cover me and guard me
Like a mantle of pure light
In the night of this world

Verse 2

Over my home and my family
Over those You placed in my care
May Your presence protect them
And keep them in Your peace

Where Your Blood is poured out
Darkness must give way
No shadow can remain
Before Your Cross lifted high

Chorus

Under Your Precious Blood I stand
No evil comes near, no arrow can strike
Sealed by the Cross, marked for Heaven
I am Yours for eternity

Under Your Precious Blood I remain
Strong in Your peace, guarded from fear
Jesus my King, my shield
In You I find refuge

Verse 3

I renounce every fear
Every accusing voice
Every shadow that whispers
Against the truth

By Your Name I rise again
By Your Blood I am washed clean
No chain remains
For You have set me free

Bridge

Your Name is above
Of every fallen power
And Your Blood still speaks

Chorus

Under Your Precious Blood I stand
No evil comes near, no arrow can strike
Sealed by the Cross, marked for Heaven
I am Yours for eternity

Under Your Precious Blood I remain
Strong in Your peace, guarded from fear
Jesus my King, my shield
In You I find refuge

Bridge

Your Blood covers me and protects me
Your Blood keeps me in Your peace
In Your Name every shadow fades
In Your light I remain

Let every work of darkness be shattered
Let every bond be broken now
If such is Your will, Lord
Let all evil return under Your judgment

Not by my strength
But by Your justice
Not by anger
But by Your light

Let Your kingdom come
Let Your will be done

Bridge

I fear nothing
You are with me
I fear nothing
You fight for me

Your Blood covers me
Your Blood covers me
Your Blood covers me

Verse 4

The Blood of the Lamb has conquered
The Blood of the Lamb has spoken
We are washed, lifted up
By the Blood of Jesus

The Blood of the Lamb defends us
The Blood of the Lamb reclaims us
No weapon shall stand
For Heaven fights for me

Chorus

Under Your Precious Blood I stand
No evil comes near, no arrow can strike
Sealed by the Cross, marked for Heaven
I am Yours for eternity

Under Your Precious Blood I remain

Strong in Your peace, guarded from fear
Jesus my King, my shield
In You I find refuge

I rest in You, Lord
Under Your Blood, within Your tenderness
Nothing can separate me
From Your love

Jesus
I am Yours
